## Services:

- SUPPLY CHAIN GLOBAL can provide our clients with full procurement services, Including:
- Sourcing / Prequalification / Selection / Negotiation with contractors and vendors
- Buying
- Expediting
- Inspection Services
- Logistics (transportation)
- Materials Management (Receiving / Issuance)
- Project Accounting

## Products:

- Pipe
- Flanges
- Valves
- Fittings
- Bolting
- Plates & Sheets
- Preventive Oils & Lubricants
- Spare Parts
- Pumps
- Fire Equipments
- Instruments & Controls
- Plant & Facility Equipments
- Electrical & Power Generation
- Industrial Lighting

|---|--|
| OILFIELD TOOLS & EQUIPMENT                          | <p>Complete Rig Packages: Mast &amp; Substructure • Drawworks • Mud Pumps • Travelling Equipment • Rotary Swivels • Rotary Tables • Torque Converters • Top Drives</p> <p>Drilling Equipment: Solids Control Equipment • Well Stimulation Equipment • Blow Out Preventers • BOP Control • Choke &amp; Kill Manifolds • Power Generation Equipment • SCR Systems • Drilling Mud Motors</p> <p>Pipe Handling Equipment: Tongs • Spiders/Elevators • Slips • Kelly Spinners • Make Up/Break Out Units • Links • Safety Clamps • Hammers • Fill Up Tools • Laydown Machines</p> <p>Other Equipment: Wellhead Equipment • Gate Valves • Motion Compensation &amp; Tension Systems • Fishing Tools • Flowline Equipment • Hydraulic Power Units • Camps and Portable Housing • Air Winches • Vacuum Trucks</p> |
| WELL SERVICE EQUIPMENT                              | <p>Coiled Tubing • Fracturing Pumper • Offshore Twin Cementer • Twin &amp; Single Cementer • Iron Truck • Blender • Batch Mixer • Nitrogen Pumping Unit • Chemical Van • Sand Bins</p>   |
| CENTRALIZERS FLOATS & MECHANICAL CEMENTING PRODUCTS | <p>Centralizing Tools • Float Equipment • Inner Cementing Equipment • Cementing Packing Collar • Cementing Plugs</p>   |
| TUBULAR PRODUCTS                                    | <p>Drill Pipe • Line Pipe • Casing • Tubing • Pup Joints • Couplings • Conductor casing • API Line Pipe</p>  |
| VALVES, FLANGES & FITTINGS                          | <p>Ball • Gate • Globe • Check • Relief • Needle • Plug • Butterfly • Knife Gate • Choke • Flanges • Fittings • Plates • Etc</p>   |
| POWER GENERATOR EQUIPEMENT & PARTS                  | <p>Complete line of Gas Turbine &amp; Compressor parts • Solar Turbine • Ingersoll-Rand • Gardner-Denver • Pratt &amp; Whitney</p>   |
| MINING & MATERIAL HANDLING EQUIPMENT                | <p>Dozers • Excavators • Graders • Shovels • Compressors • Drill Machine • Fork Lifts • Cranes • Winches • Etc</p>   |
| ENGINE COMPONENTS                                   | <p>Crankshafts • Cylinder Heads • Connecting Rods • Power Packs • Engine<br/>Component brands include: Caterpillar, Waukesha, White Superior and EMD</p>   |
| FLUIDS & CHEMICALS                                  | <p>Drilling Fluid Products • Subsea Control Fluids • BOP Stack Control Fluids • Oilfield Production Treating Chemicals • Pipeline Chemical Cleaners • Chemical Solvents</p>  |
| PIPE CLEANING PRODUCTS                              | <p>Foam Pig • Solid Cast Pig • Cylinder &amp; Swabs</p>  |

|  |   |
|--|---|
| MAINTENANCE PRODUCTS                     | NSF Approved Biodegradable Descaler & Degreaser • Corrosion Inhibitors • Pipeline Cleaning products • Pipe Dopes • Wire Line • Greases • Valve Lubricants • Thread Protector Caps • Thread Sealing Compound • Epoxy Metal Composites • Fiberglass • Pipe Repair Tape • Rig Wash |
| SPILL RESPONSE & REMEDIATION             | Biodegradable Remediation • PRP Powder • Oil Buster • Bio-Boom • Well Boom • Bio-Sok  |
| STUFFING BOX SEALS & GASKETING MATERIALS | Mechanical Seals • Non-Asbestos Compression Packing • Injectable Sealant • Teflon Cord • Spiral Lantern Ring • Packing Extractors • Tamping Tools • Spiral Wound Gaskets • Thermo Seal • Teflon Joint Sealant   |
| INSTRUMENTATION PRODUCTS                 | Compression Fitting • Needle & Manifold Valves • High Pressure Hoses • Transmitters • Controllers • Control Valves & Regulators • gauges  |
| FLAME RESISTANT CLOTHING                 | Fire Resistant Coveralls • Standard Coveralls • Work Pants / Shirts • Safety Boots  |
| WATER SYSTEM & FILTRATION                | Desalination Systems • Filtration Systems • Chemical Injection Systems • Pumps • Filters  |
| ELECTRICAL PRODUCTS                      | Wire & Cable • Conduits • Cable Tray • Grounding Material • Lighting Fixtures • Breakers • Switchgears • Transformers • Programmable Control  |
| TOOLS & EQUIPMENT                        | Power tools • Hand tools • Benders & Cutters • Cable Pullers & Lubricators • Rollers & Pulleys • Hoist • Compression & Crimping • Traders & Pipe Tools  |
| AIR CONDITIONING & REFRIGARATION SYSTEMS | Air Conditioners • Boilers • Chillers • Air Handlers • Packaged Systems   |
| SERVICES                                 | Supply Chain Global is proud to facilitate Running Casing & Tubing Services, Fill Up Tool Services, H2S Services, Bolt Tensioning Services, On-line Leak Sealing, Hot Tapping & Line-Plugging, Pipe Freezing, Flange/Weld Joint Testing, and Nitrogen Services.                 |
| SPECIAL FABRICATION                      | Skid fabrication • Pump motor skids • Hydraulic power units • Electrical panels   |
| MISC STEEL FABRICATION                   | Steel fabrication services  |
| FASTENERS                                | Bolts • Screws • Nuts • All grades • All sizes  |
